

Anno di produzione: 2018

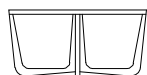

Ascot risponde alle esigenze contemporanee con un approccio classico. Fatto di materiali pregiati e una forma essenziale. Su cui anche un espediente ormai irrinunciabile come il Lazy Susan, il piano in cristallo retro verniciato che fissato a centrotavola consente a tutti i commensali di accedere al cibo, riesce a caratterizzare il modello in modo gentile. Il piano, di diametro 150 cm e 180 cm, è disponibile in essenza di noce canaletto intarsiato oppure in marmo; con l'eccezionalità di una nuova proposta in marmo Sahara Noir, con finitura in poliestere lucido. La base è costituita da tre grandi gambe poste a 120 gradi l'una rispetto all'altra, in massello di noce canaletto con il fianco rivestito in cuoio.

Year of Production: 2018

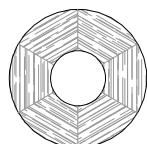

Ascot meets contemporary needs with a classic approach. Made of precious materials and an essential shape. On which even an expedient almost indispensable as the Lazy Susan, the painted glass top that fixed to centerpiece allows all the guests to access the food, can characterize the model in a gentle way. The top, with a diameter of 150 cm and 180 cm, is available in black walnut wood with crossed veneer or in marble; with the exceptionality of a new proposal in Sahara Noir marble, with a glossy polyester finish. The base is made up of three large legs placed at 120 degrees with respect to each other, in solid black walnut wood with the side covered in saddle leather.
