MADE IN ITALY

Ballabio Italia ha come filosofia quella di produrre, più che dei mobili, dei veri e propri oggetti d'arredo capaci di esprimere un percorso stilistico che offra a chi ama la casa mobili di qualità di alto valore estetico ed artigianale.

Sono collezioni che si distinguono per la scelta delle più pregiate materie prime, lavorate secondo i dettami della tradizione del mobile classico della **Brianza**, la terra che ha reso famoso il “**Made in Italy**” nel mondo. Anche per questo **Ballabio Italia** fa parte de “**Il meglio dell'Italia che produce**”, il gruppo che raccoglie le aziende italiane che producono qualità.

Ballabio Italia's company philosophy is based on the idea that we produce more than just furniture, rather we make furniture pieces that truly express a stylistic path that offers quality along with the highest level of fashion and workmanship to people who love their home.

These collections stand out thanks to the choice of the finest raw materials, put to use following the classic furniture making traditions of **Brianza**, an area that has rendered “**Made in Italy**” famous around the world. This is just one of the reasons why **Ballabio** is part of the group “**The best of Italian production**”, made up of Italian companies that are synonymous with quality.
