

C
OAST TO COAST

design T. Colzani

Coast to Coast is a new way of storing. A beam, made of aluminium, is the heart of this system. A structural element that opens new and unexpected uses.

APRIL, 14-19
HALL 10 | STAND D21-23

IQ^{SOFT}

design G. Manzoni

Finishes and fabrics combine together creating fine and exciting chromatic pairings. New emotional proposals to furnish and live your interior.

M^{OOD}
2015

styling P. Citterio

A new wide range of accessories further enriches the IQ system, for an even more complete proposal of the living room. The sofa, thanks to its different combinations, offers more and more possibilities of customization.
